

After each visit to the Kellogg Cancer Center, you will receive an After Visit Summary that will provide you with the following detailed information:

- Special instructions from your physician.
- A listing of your medications with dosage and usage instructions.
- Your “To Do List” detailing your future appointments.
- Lab results (within the last 48 hours).
- Immunology report (within last 90 days).
- Your nurse will review your After Visit Summary before you leave.
If you have any questions regarding information on your After Visit Summary, please contact your physician.
- You may store your After Visit Summaries here for future reference.
