Medical

Eligibility

- Physicians scheduled to work 20 hours or more per week are eligible to elect medical insurance
- Part-time physicians scheduled to work 20-31 hours per week may elect medical insurance, but do so at higher premium rates
- Coverage begins on the 1st of the month following 30 calendar days of employment

Options

NorthShore Advantage Plan (NSAP)

If you elect the NorthShore Advantage Plan, you'll be able to choose between two network access options.

NorthShore Access—You will exclusively use NorthShore Employee Network providers for care. Specialties that are not available through NorthShore, mental health services and emergency room care, are available through Aetna network providers.

- Plan pays 100% of routine preventive services with no deductible or copay
- Plan pays 100% of most covered physician services (i.e., treatment of illness or injury) performed in the office after copay
- Plan pays 85% of most other covered services (i.e., x-rays, lab services) after annual deductible
- Physicians have a higher copay for specialists

NorthShore, Aetna and Out-of-Network Access—In addition to NorthShore Employee Network providers, you may also receive care from Aetna and out-of-network providers.

- Plan pays 100% of routine preventive services with no deductible or copay
- Plan pays 100% of most covered physician services (i.e., treatment of illness or injury) performed in the office after copay, if in the NorthShore University HealthSystem Employee Network
- Plan pays 85% of most covered services (i.e., x-rays, lab services) if performed by a NorthShore University HealthSystem network provider or 70% if performed by an Aetna network provider after annual deductible
- Plan pays 50% of most covered services performed in the office by out-of-network providers after the annual deductible
- Physicians have a higher copay for specialists

Consumer Choice Plan (CCP) with Health Savings Account (HSA)

You may utilize NorthShore Employee Network, Aetna, and out-of-network providers.

- Plan pays 100% of routine preventive services with no deductible or copay
- Plan pays 85% for most other covered services performed by a NorthShore University HealthSystem network provider or 70% if performed by an Aetna network provider after the annual deductible
- Plan pays 50% of most covered services performed in the office by out-of-network providers after the annual deductible
- **Physicians are responsible for the full cost of non-preventive care, such as office visits and prescriptions, until the deductible is met**
- Prescription drug copays apply only after you meet the deductible
- Includes the opportunity to enroll in a Health Savings Account (HSA) to help cover out-of-pocket healthcare expenses. If enrolled in the HSA, NorthShore contributes: \$600 for employee coverage, \$900 for employee + child(ren)/employee + spouse coverage, \$1,200 for family coverage, prorated by effective date of coverage in 2016.
- Physicians enrolled in Medicare are not eligible for HSA by law
- For those enrolling dependents and utilizing the NorthShore or Aetna networks, there will now be a separate individual "Embedded" out-of-pocket maximum for any one person in the family tier. The new "Embedded" out-of-pocket maximum option may result in lower healthcare expenses in 2016, because each family member's individual expenses are capped—no one member of the family can meet the entire out-of-pocket maximum

Employee Wellness Initiative

NorthShore Wellness – Living Healthy, NorthShore's employee wellness initiative, is designed to help our employees and their eligible dependents maintain and improve their overall health. To participate, you and your spouse or domestic partner must be covered under a NorthShore Medical Plan.

NorthShore Wellness – Living Healthy includes a menu of health and wellness activities that will qualify you and your eligible spouse or domestic partner for monetary wellness rewards up to \$300 per employee and/or spouse or domestic partner.

New hires may enroll in this program after becoming covered by a NorthShore Medical plan.

Pharmacy

Prescription drug coverage is included with medical coverage and is administered by Optum (formerly Catamaran). Our Physicians have the option of using NorthShore University HealthSystem or an Optum pharmacy for most acute (30 day) prescriptions. NorthShore University HealthSystem network pharmacies are located at:

- Evanston Hospital
- Highland Park Hospital
- Glenbrook Hospital
- Skokie Hospital

Visit www.catamaranrx.com to locate the Optum network pharmacy nearest you.

**Minimums and maximums are per prescription, not annual amounts.

Financial Protection Benefits

NorthShore offers two financial protection benefits, both on a voluntary (employee-paid) and employer-paid basis, depending on the Medical Plan option in which you are enrolled. Both plans offer financial protection for you or your covered family member over and above what you receive through your medical coverage. To be eligible, you must be covered under a NorthShore Medical Plan. Voluntary coverage is only available at Open Enrollment.

Critical Illness Insurance pays a one-time lump sum payment upon diagnosis of a covered critical illness or condition. This lump sum payment can be used at your discretion for medical costs or other expenses.

Accident Insurance provides a cash benefit if you experience a covered event. Payment can be used at your discretion for medical costs or other expenses.

If you enroll in the Consumer Choice Plan, NorthShore will pay for either:

- \$5,000 in Critical Illness Insurance coverage (the default for new hires), or
- Accident Insurance coverage (available at Open Enrollment).

Voluntary Coverage

Consumer Choice Plan participants can also choose to purchase additional coverage:

- If you choose the \$5,000 NorthShore-paid Critical Illness Plan, you can purchase an additional \$15,000 in Critical Illness Insurance coverage and/or the Accident Insurance coverage.
- If you choose the NorthShore-paid Accident Insurance, you can purchase \$15,000 in Critical Illness Insurance.

If you enroll in the NorthShore Advantage Plan, you have the option to purchase either or both of the following:

- \$15,000 in Critical Illness Insurance coverage, and/or
- Accident Insurance coverage.

Dental

Eligibility

- Physicians scheduled to work 20 hours or more per week are eligible to elect dental insurance
- Coverage begins on the 1st of the month following 30 calendar days of employment
