

Philanthropy helped establish Kellogg Cancer Center in 1981. Generous support from patients and their families continues to play a vital role in every aspect of our comprehensive, patient-centered approach.

Tax-deductible donations directly impact the lives of Kellogg Cancer Center patients, advance research, and most importantly increase survival rates and improve quality of life.

Donations of any amount enable you to make an impact and recognize your care team. To learn more about how you can support Kellogg Cancer Center, contact NorthShore Foundation at (224) 364-7200 or send an email to [philanthropy@northshore.org](mailto:philanthropy@northshore.org).

We greatly appreciate the patients, loved ones, community members, businesses and corporations that have contributed their time and money to Kellogg Cancer Center to help us provide even greater services.
