

After each visit to the Kellogg Cancer Center, you will receive an After Visit Summary that will provide you with the following detailed information:

- Special instructions regarding your follow-up care
- A listing of your medications with dosage and usage instructions
- Your “To Do” List detailing your future appointments
- Lab results (within the last 48 hours)

Your nurse will review your After Visit Summary with you before you leave. If you have any questions regarding information on your After Visit Summary, please contact your care team.

This After Visit Summary will also be available to you in *NorthShoreConnect*.
