Important: You may be able to receive free or discounted care.

Completing this application will help NorthShore University HealthSystem (NorthShore) determine if you can receive free or discounted services or other public programs that can help pay for your healthcare. If you are uninsured, a Social Security Number is not required to qualify for free or discounted care. However, a Social Security Number is required for some public programs, including Medicaid. Providing a Social Security Number is not required but will help NorthShore determine whether you qualify for any public programs.

Please complete this form as soon as possible after the date of service in order for NorthShore to determine your eligibility for financial assistance. NorthShore will accept your application for up to 240 days following the first billing statement for the care.

Patient acknowledges that he or she has made a good faith effort to provide all information requested in the application to assist NorthShore in determining whether the patient is eligible for financial assistance.
