

**NorthShore University HealthSystem**  
**Financial Assistance Policy**  
**Exhibit 1 - Provider/Physician List**  
**March 6, 2019**

Consistent with NorthShore's values of compassion and stewardship, it is the policy of NorthShore to provide financial assistance to patients in need. The Financial Assistance Policy (FAP) applies to all emergency or medically necessary care provided by the hospital, but is not binding upon other individual providers (e.g., physicians) of medical services outside of the hospital. Nor is it binding on a provider, such as but not limited to, a change in their employment relationship with NorthShore or a change in their scope of practice. Therefore, because the physicians and other providers included on this list may change from time to time, NorthShore will update and post a new version on its website ([www.northshore.org/about-us/billing/financial-assistance](http://www.northshore.org/about-us/billing/financial-assistance)) at least quarterly.

All NorthShore Medical Group physicians/providers are covered under the NorthShore FAP. Below is a list of the independent/non-employed providers that deliver emergency or other medically necessary care in NorthShore hospital facilities that are not covered under this policy. Copies of this listing are available online at [www.northshore.org/about-us/billing/financial-assistance](http://www.northshore.org/about-us/billing/financial-assistance) or upon request in the emergency department and hospital registration areas and by mail by calling (847) 570-5000.
