Please choose the time that is convenient for you

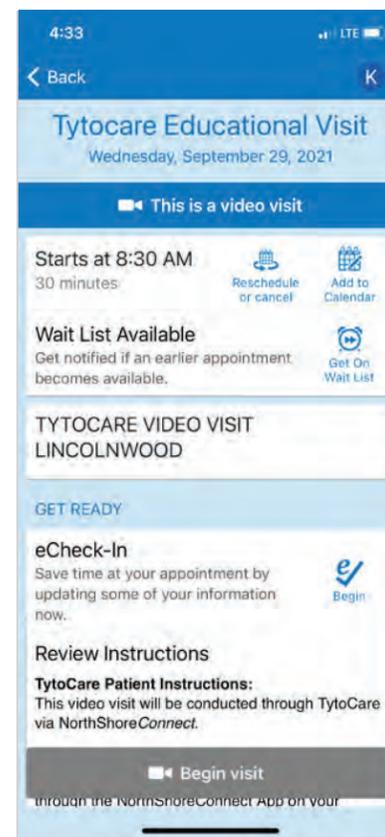

For your initial educational visit, answer the question, "Would you like to use insurance to pay for this appointment?" with "Do not bill insurance."

For future visits, you will select your preferred insurance option. Select "This information is correct."

One last step. Verify all information is correct and read the visit instructions. Check the "Favorite this appointment to easily schedule again later" box and select "Schedule."

You're ready. Just select "Begin visit" at your appointment time.

If you experience any problems, please call the number on the screen.
