## Drive-Thru Flu Shots and Clinics

Getting your child's flu shot is more important than ever! And this year we've made it even easier. Get your child vaccinated at one of our flu clinics via drive-thru flu or in office by calling **847-318-9330** to for an appointment. All participants must be 6 months – 22 years old. We are unable to accept VFC or CHIP eligible patients.
