

# NorthShore University HealthSystem

## “Conceptualizing a pipeline from single cell data to predictive mathematical modeling”

Wednesday, March 4, 2020

9:00 AM - 5:00 PM

(Registration Deadline - Monday, February 26, 2020)

Thank you for registering to attend the “**Conceptualizing a pipeline from single cell data to predictive mathematical modeling**”. We want to make the process as easy as possible. You will need to complete a separate registration form for each individual attending.

E-mail completed form to: [aderden@northshore.org](mailto:aderden@northshore.org)

Please contact Antonia Derden @ 224-364-7424, if you have any questions about registration.
